25X1

Upon my recent return from Europe, I was apprised
of the speedy and successful conclusion of the transaction
we briefly discussed during our last meeting in Washington.

Since, as you know, it was an exceptionally
sensitive and unusually difficult problem to resolve, it
could not have been consummated without the help of your
kind offices, for which I am very grateful.

Anticipating your next visit for a first-hand report
on the [redacted] I am,

Sincerely,
